No. COE/21/18/ 5092 /Dt. 06.10.18 /

From

The Controller of Examinations,
CHSE. Odisha, Bhubaneswar.

To

All Principals/Headmasters/Headmistresses of all Examination Centres/Sub-Centre of CHSE. Odisha.

Sub : Installation of CC TV in Examination Centres and EMHs.

Sir/Madam,

As per proceedings of the meeting held on dt. 04.09.2018 under the Chairmanship of the Principal Secretary to Govt., School & Mass Education Department, you are directed to install vandal proof CC TV Camera in all the examination Halls, the Office Room where the sealed question packets are opened and answer scripts are sealed for dispatch, the common entrance where the gate checking of the examinees are being done, and other important places for checking irregularities during the examinations conducted by CHSE. Colleges/Higher Secondary Schools experiencing public involvement in irregularities during examination days are required to install CC TV Cameras in strategic points to watch the movement/involvement of outsiders.

Only reputed brands of CC TVs with adequate storage capacity of hard disk for one month, 'Power Back-up' for the examination hours including the pre and post examination working hours and 'Remote Connectivity Facility' with CHSE. be installed and the amount be spent from the appropriate fund/account as per directions of the Government. Adequate coverage of all the examination halls be ensured with at least 2 mega pixel CC TV Cameras. Adequate safety measures like : metal netting of the CC TV Cameras, conceal wiring/wiring at high altitude, arrangements of watch and wards, locking of the rooms in non-working hours to be ensured to serve the purpose.

The functioning of CC TVs in the examination halls and EMHs must be ensured by the end of December, 2018 by furnishing a certificate in this regard by the concerned Principals, failing which necessary steps may be taken for cancellation of Centres and Govt. will be reported for appropriate action against the defaulting Principals/ Colleges/H. S. Schools.

Yours faithfully,

Controller of Examinations
